

# HOW TO GET A LOAN

## 7 SIMPLE STEPS:

### 1. Business idea

Make a business plan for your project

### 2. Collecting a package of documents

Gather the documents you need to get a loan

### 3. Filing an application

Submit an application with the required documents

### 4. Review of documents

The corporation will check the submitted documents

### 5. Solution

The corporation will make a decision on granting/refusing to grant a loan

### 6. Conclusion of an agreement

If a positive decision is made, a contract is concluded and a pledge is issued

### 7. Transfer of funds

After the conclusion of the contract, the funds are transferred to your account
